

PDB 100A

Simplify your wiring with
axldrone Power Distribution Board

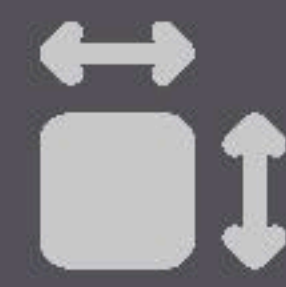

Out

-FMU PWM OUT,
I/O PWM OUT-

Compatibility

1-8 ESC, Up to 100amps

Dimension

-35mm-

Material

FR-4 flame-retardant,
glass-reinforced epoxy
laminate

Item Weight

-17g-

Compatibility with High-Performance Motors

Reduced Resistive Losses

FMU & I/O PWM OUT for proper distribution of signals

Lightweight Design

Compact Circular Shape

Easy Installation

axldrone, a leader in industrial drone solutions, delivers purpose-built drones, advanced avionics, and ground control software, backed by over a decade of global R&D and project expertise.
