PDB 200A

Power Distribution Board

axldrone
your world from above

- **High-Performance Power Handling**
  (up to 200A)
- **Wide Input Voltage rate**
  (upto 15-60V)
- **Optimized Power Outputs**
  (4xXT90 connectors)
- **Compatibility**
  (Pixhawk, Cube Orange)
- **Reliable Analogue Architecture**
- **Compact & Lightweight**
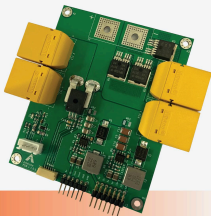

Item Type:	PDB
Input Voltage	15-60 V
Connectors	4xXT90 Connectors
Converter	DC-DC Converter
Item Weight	90g

QUALITY ASSURED
ISO 9001:2015
CERTIFIED

axldrone, a leader in industrial drone solutions, delivers purpose-built drones, advanced avionics, and ground control software, backed by over a decade of global R&D and project expertise.
